Product Information

**Product Name** : Hand Shower with Bath mixer

**Item Code** : 08-51-449

**Material** : Brass

**Finish** : Chrome

**Brand** : BOQATI

**Specification** :

A modern chrome-plated bath and shower mixer set. It features a single-lever mixer tap with a built-in diverter to switch between the spout and the handheld shower. The set includes a round handheld shower connected by a flexible hose, and a wall-mounted holder for convenient storage. Its sleek, polished finish gives it a stylish and contemporary look, suitable for both bathtubs and shower areas.
